### TOP FEEDBACK

- Positive Feedback
  - It has a great vibe.
  - Very professional.
  - Feels like family.
  - Great marketing source and trusted source for information regarding our county.
  - We do what we say, keep the city accountable, lead changes, staff is always helpful and responsive.
  - Present multiple opportunities for members to connect with one another and expand their networks.
  - We play a significant role in the prosperity of the county.
  - A developed, first class preeminent organization, which evolves and strives for continuous improvement.
  - We are ahead of the curve and take care of our members, put our members and businesses FIRST.
  - Business connectors, promoters and advocates.
  - We have momentum and lots of cool, new things are happening.
  - We're relationship-based and thrive on doing all we can to meet our members' needs and expectations.
  - The chamber is essential for business growth and helps convene the community for important issues or initiatives.
  - They do a great job getting the community involved in our businesses, schools, and non-profits.
  - Vibrant, first class organization.
  - We help bring both our businesses and our residents together to build up our community.

- Time for Change
  - They're not sure of the value in being a member.
  - We don't do a good job of getting out and explaining the value of membership.
  - There are not enough benefits for members.
  - Most would say they get out of it what they put into it.
  - They don't know the full value of what a chamber does, but that the chamber is supportive of local businesses and the community.
  - The chamber does a good job of organizing networking and educational events, but members just don't have time to attend.

- Diversity
  - We are diverse and work to engage members.
  - We have a very diverse membership when it comes to number of employees, investment, and engagement.
  - A few people would say that we are too elitist at times.

- Staffing
  - “Hope this one stays...”
  - They support the direction the chamber is now moving. They would like to see more of the staff.
  - How much we have improved over the last 2+ years and with the change of the Executive Director, the chamber is not as stale as it used to be.
  - They need a full-time person to run the organization, not just one part-time person. That way we could get more value from membership.
  - Needs a more cohesive internal structure and leadership team.

- Do More
  - We need to be doing more to promote the town.
  - We need to get more active members, or encourage the members we do have in a positive way.
  - We need to be better at supporting our community by listening to what they want, not just what we're willing to provide.
  - Don't always understand the challenges of smaller member businesses.
### Improving

- We’re more open to member suggestions.
- We are growing and changing for the betterment of the community.
- How much we’ve improved over the last 2 years and how a board can make or break a chamber.
- We are constantly evolving and open to new ideas.
- They’re pleased with the new staff and where we’re headed.
- We’ve improved value in the last year and have added fresh ideas to promote businesses.
- We are growing, have improved our relationship with members, increased revenue, and been more prominent within the community.

### Who are they? What do they do?

- They either say “awesome organization” or “they never did anything for me.”
- They would say, “What do they do?” or “I don’t hear from them enough.”
- Why do we have a chamber? What is their role?
- Why are we members? What do we get for our membership?
- What have they done for me lately?
- The chamber needs to be doing more to promote the town.
