

The included GrowthZone MemberPlus mobile application gives your members on-the-go access to your association's Member Center/InfoHub. Members can easily download the free app, log in using their existing member login credentials, and stay engaged with your organization and other members.

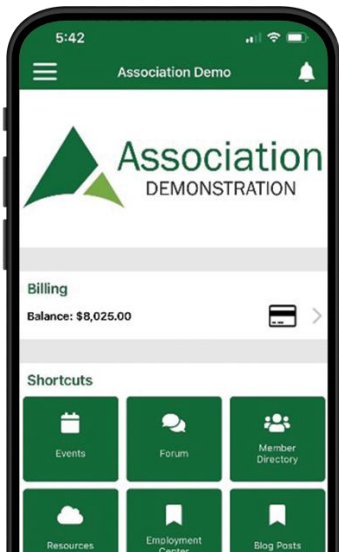

## MEMBER PLUS BRANDING

Customize the app by incorporating your association's colors and logo. Although the app retains the name MemberPlus, your members will see your association's distinct branding immediately upon logging in.

## MEMBER PLUS APP FEATURES

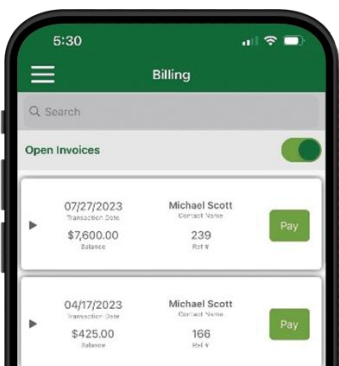

### STAY INFORMED

Members can stay up-to-date with access to your association's events calendar, news feed, and other member-facing information. They'll also see any open balance they may have right from the home screen.

### UPDATE CONTACT INFO

They can update their profile information and directory listings from their device. Any changes made in the app will be reflected in your GrowthZone database.

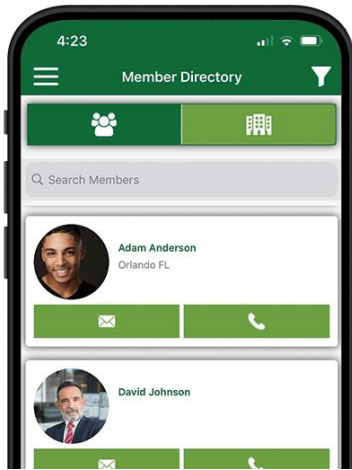

### PAY OPEN INVOICES

Members can pay open invoices on the go. This feature is available for associations utilizing GrowthZone Pay and/or NAR eCommerce.
