

# Registration Protection

Protect your non-refundable registration fees.

## What is Registration Protection?

Your plans can change in an instant - whether it's due to an unexpected illness, injury, or family emergency. Unfortunately, most event registration fees are non-refundable and cancelling can cost you. Registration Protection gives you peace of mind by reimbursing up to 100% of your non-refundable fees if you're unable to make it for a covered reason. It's a simple, affordable way to protect your registration.

## How it Works:

When registering for an event, you'll have the option to add Registration Protection at checkout. If you're unable to make it for a covered reason, you can easily request a refund for up to 100% of your non-refundable fees in just a few clicks by visiting: [customers.vicoverage.com](https://customers.vicoverage.com).

## What's Covered:

- ✓ **Illness or Injury:** You become seriously ill or injured and are advised not to attend the event by a doctor.
- ✓ **Family Emergency:** A family member is hospitalized or needs your care unexpectedly.
- ✓ **Car Breakdown:** Your car breaks down on your way, preventing you from getting to the event.
- ✓ **Job Loss or Relocation:** You or your spouse lose a job (after 3+ years) or are relocated 100+ miles for work.
- ✓ **Emergency Service Duty:** You are called to active duty as military, police, fire personnel, or first responder.
- ✓ **Pregnancy/Adoption:** A child is placed in your care or you become pregnant after registering and a doctor advises you against attending the event.
- ✓ **Home Emergency:** Your home becomes uninhabitable due to flood, burglary, vandalism, or a natural disaster.

## What's Not Covered:

- ✗ Pre-existing medical issues (from the past 90 days)
- ✗ Personal schedule conflicts
- ✗ Foreseeable events at the time of registering
