GrowthZone Pay

Streamline operations with automatic payments:

- Membership applicants can set up automatic payments as they are applying online – doing away with the entire renewal process.
- Existing members can set up autopay themselves in the Member Information Center when paying on an open invoice.
- You can automatically charge monthly, quarterly, semi-annual, or annual membership dues on a specific day without having to routinely log into your software or even click a button.
- One processor, one point of support: If you have an issue, just contact us. Our amazing support team is available via phone, email, or chat from 7am-7pm CST
- Due to the tight integration with your database, there is no need to log into a separate portal to view successes or failures, perform refunds, or view statements, bank deposit reports, and transfer reports from your processor. It's all included within your Integrated Billing screens.
- Mobile card reader: Fully integrated, Bluetooth card reader. Apple Pay and chip enable and connects to a phone or tablet via the staff app. Easily check-in attendees by scanning a QR code and take their payment on-site if they have not yet paid for their registration. No longer need to manually enter payments after your event because it is integrated with your database.
- Simple pricing, no hidden fees: No setup fees, gateway fees, batch fees, statement fees
- Fully PCI compliant: no PCI compliance fees and no dreaded packet of paperwork each year

Rates

- **Credit and Debit:** 2.99% + $.45 per successful transaction (3.99% for American Express)
- **ACH:** 1% per successful transaction
