Engagement vs. Budget

A lack of engagement, rather than a lack of budget, appears to be the top reason (for non-renewals)

You can't grow unless you keep the members you have.

One step forward, two steps back. That’s what it feels like without a good member retention strategy. Unless you’re able to retain your members, signing on new ones will not lead to growth. And no growth means less revenue. Less revenue means you don’t have funds to drive results. And when you don’t drive results, you’re no longer relevant in your industry.

THE MORE THEY’RE ENGAGED, THE LONGER THEY’LL STAY

With the GrowthZone Association Success Platform, you’ll have easy-to-use member retention tools at your fingertips – literally. In just a few clicks, you can manage communication, events, and web content.

GOOD COMMUNICATION IS THE KEY TO RETENTION

It’s tough for members to see value in your association unless you’re giving them what they need. With GrowthZone’s optional Marketing Automation module, you can manage and track daily communications, automated email campaigns, and activities with prospects, members, staff, and other contacts in one system.

GIVE YOUR MEMBERS THE ABILITY TO NETWORK AND WATCH SATISFACTION SOAR

With The Info Hub feature from GrowthZone, you can give members what they want – a way to network and access the information that’s important to them. With login-based access to events, your directory, job postings, and other resources, members can manage and customize their information, pay invoices and more, which all goes a long ways when it comes time to renew membership.

MANAGE EVENTS FOR GREATER ROI

Events can be a challenge. With GrowthZone’s Event Management feature, they’re anything but. Integrate event registration with payment processing. Manage event discounts. Create and publish multiple event calendars, and manage multiple items under each with ease. You’ll be amazed at what you can do.
